

Making UHC truly universal:

What are the challenges to achieving UHC in an unequal society and how do we target these now?

Health Systems Research Symposium

27-28 August 2024, Cape Town

In addition to the full-day symposium on 27 August an introductory workshop on knowledge translation and implementation science by Prof. Jeremy Grimshaw will be held on 28 August 2024 – see the programme for more details.

Hosted by the Health Systems Research Unit, South African Medical Research Council
