Ukomeleza ukubekwa kweliso ekufeni ngexesha le-COVID-19Ukomeleza ukubekwa kweliso ekufeni ngexesha le-COVID-19

Isebe lezeMpilo eNtshona Koloni kunye ne-Bhunga loPhando lwezoNyango loMzantsi Afrika (SAMRC) lizama ukufumanisa ukuba ingaba abantu ababhubhela ekhaya emva kokugula babulawe yintoni.

Ukuba ngaba ulungu losapho lwakho luswekele ekhaya, uzaku qhagamshelwa liSebe lezeMpilo eNtshona Koloni ukulungiselela udliwanondlebe ngomnxeba

Uyakuba nodliwanondlebe ngomnxeba ukufumanisa ukuba sisweleke njani nokuba sibulawe yintoni isihlobo sakho.

Umntu owenza udliwanondlebe uya kuyichaza le nkqubo kwaye afumane imvume yakho ngaphambi kokuba uqhubeke nodliwanondlebe. Ukhululekile ukuba ungala ukuthatha inxaxheba nanini na.

Le projekthi iza kunceda ekuphuculeni ulwazi malunga nonobangela wokusweleka kwiSixeko saseKapa.

Uya kufumana ivawutsha yokuthenga eyi-R100 yokukubulela ngexesha lakho.

Iqela leprojekthi lizakunxibelelana nawe likubuze ukuba lisweleke njani kwaye libulewe yintoni ilungu losapho lwakho.

IBhunga loPhando lwezoNyango loMzantsi Afrika kunye neSebe lezeMpilo eNtshona Koloni lizama ukufumanisa ukuba ingaba abantu ababhubhela ngaphandle kwesibhedlele bafa yintoni. Ukwenza oku, kufuneka senze udliwanondlebe namalungu osapho asondeleyo okanye abanonopheli babantu abaswelekele emakhaya. Siceba ukwenza udliwanondlebe namalungu osapho malunga nabantu abangama-600 abasandula ukusweleka ngenxa yokugula (hayi ukwenzakala) ekhaya okanye endleleni eya esibhedlele.

Nceda uzive ukhululekile ukufowunela **uGqr Pam Groenewald (021 938 0555)** okanye **uGqr Ian Neethling (021 938 0957)** ukuba ufuna olunye ulwazi.

Lumalunga ngantoni oluphando
I-Bhunga loPhando lwezoNyango loMzantsi Afrika (SAMRC) nesebe lezeMpilo eNtshona Koloni lizama ukufumanisa ukuba uyafuna na ukuthatha inxaxheba kwiprojekthi ethi "Ukomeleza Ukujongwa Kokufa (i-SMS) ukulungiselela ukuphuculwa kokubekwa kweliso kwi-HIV / AIDS, kwi-TB nakwi-COVID-19 eMzantsi Afrika". Le projekthi ixhaswa liBhunga loPhando lwezoNyango eMzantsi Afrika.

Kutheni kwaye silenza njani olu phononongo
Sicela malunga ne-600 – 800 leentsapho zomntu osweleke kutshanje asixelele ukuba kwenzeke ntoni oku kukhokelele ekufeni. Sikwenza oku eNtshona Koloni. Senza olu vavanyo ukufumanisa ukuba abantu basweleka njani kwaye kutheni. Sifuna ukwazi ukuba kulungile ukubuza abantu malunga nokusweleka kwamalungu osapho sikwenza oku ngomnxeba.

Siza kukucela ukuba ubalise ibali ngokusweleka kwesalamane sakho kwaye sikubuze nemibuzo malunga nento eyenzekileyo ngomnxeba. Oku akuzuthatha ngaphezulu kweyure. Abanye abantu abaphendule imibuzo malunga nokufa baya kubizwa kwakhona kwaye bacelwe ukuba basixelele ukuba bazive njani ngodliwanondlebe kunye nokuphendula imibuzo ngomnxeba (TeleVA).

Ukuba yinxalenye yophando nokumisa kolu phando
Ukuba uyavuma ukuthatha inxaxheba kolu vavanyo, siza kukubuza imibuzo. Akunyanzelekanga ukuba uphendule yonke imibuzo. Ngalo naliphi na ixesha xa uphendula lemibuzo ungarhoxa okanye usicele ukuba siyeke. Siza kuyeka ke. Ukuba awufuni ukuthatha inxaxheba kule projekthi awunyanzelekanga. Ulwazi malunga nokusweleka komntu omthandayo alunakutshintshwa ukuba uthatha inxaxheba okanye awuthathi nxaxheba.

Ukugcina ulwazi luyimfihlo
Iimpendulo zakho kwimibuzo ziya kufakwa kwithebhulethi. Igama lakho aliyi kubhalwa phantsi xa uphendula imibuzo. Yikhowudi kuphela eya kudityaniswa neempendulo zakho. Le khowudi ibizwa ngokuba yinombolo yesazisi eyahlukileyo (i-USID) kwaye iyafana ne-USID eyabelwe isihlobo sakho esingasekhoyo. Zonke iimpendulo zakho ziya kugcinwa ziyimfihlo. Njengomxhasi wophononongo, iCDC inokubeka iliso okanye iphicothe imisebenzi yeprojekthi. Isizathu soku iya kuba kukuqinisekisa ukuba iprojekthi yenziwa ngendlela ekufuneka yenziwe. Kuya kuqinisekisa ukuba amalungelo akho kunye nempilo yakho ikhuselekile. Ulwazi lwakho lomntu kunye nolwazi lwezonyango luya kugcinwa luyimfihlo.

Iimpendulo zakho aziyi kwabelwana naye nabani na ngaphandle kweqela lophando kwaye ziya kugcinwa zikhuselekile. Oku kuthetha ukuba akukho mntu uya kuyazi ukuba ulwazi luvela kuwe. Siya kuzikhusela iinkcukacha zakho. Igama lakho aliyi kuvela kuyo nayiphi na ingxelo yale projekthi. Zonke iimpendulo zakho ziya kuhlala ziyimfihlo kwaye azizokwabelwana naye nabani na, ngaphandle kwendlela yekoteyishini engaziwayo, okanye echazwe kupapasho okanye ingxelo.

Izibonelelo/iRisks
Ngaphandle kwevawutsha yokuthenga eyi-R100.00 yokukubuyisela ixesha lakho akuyi kubakho sibonelelo sithe ngqo kuwe ngeprojekthi. Kodwa, uya kusinceda sifunde ukuba Ingaba ukufowunela ukuxoxa ngokufa kunokusetyenziselwa ukufumana ulwazi olungcono kwaye kulungile ukwenza. Kukho iingozi ezimbalwa kuwe zokuthatha inxaxheba kule projekthi. Kungenzeka ukuba ube neemvakalelo ngelixa uthetha ngokusweleka kwelungu losapho. Abasebenzi bethu baqeqeshelwe oku kwaye bakuthumele kwiingcali eziqeqeshiweyo ukuba uyafuna. Intlawulo Ukuthatha inxaxheba kule projekthi uyazikhethela. Uyakufumana ivawutsha yokuthenga eyi-R100.00, enikwa bonke abantu abathatha inxaxheba kule projekthi, ukusivumela ukuba sithethe nawe. Awuyi kufumana nayiphi na imali okanye ukutya ngokuba yinxalenye yophononongo. Akunyanzelekanga ukuba ubhatale ukuze ube kolu phononongo.

Intlawulo/Imbuyekezo
Ukuthatha inxaxheba kule projekthi uyazikhethela. Uyakufumana ivawutsha yokuthenga eyi-R100.00, enikwa bonke abantu abathatha inxaxheba kule projekthi, ukusivumela ukuba sithethe nawe. Olunye ulwazi
IiKomiti zokuziphatha zeBhunga loPhando lwezoNyango loMzantsi Afrika (i-SAMRC) kunye ne-SwissTPH inoxanduva lokugcina abantu abathatha inxaxheba kukhuseleko lweprojekthi banike le projekthi imvume yokuba ingaqhubeka. Umsebenzi uza kulandela imigaqo ebekwe liSebe lezeMpilo: Iindlela zokuziphatha kuphando lwezempilo: imigaqo-nkqubo, iinkqubo kunye nolwakhiwo, ushicilelo lwesibini, 2015 kunye neSibhengezo saseHelsinki (2013). Sisebenzisana ne Sebe lezeMpilo laseNtshona Koloni kolu phando.

Linkcukacha zoqhakamshelo
