

Wanga Zembe-Mkabile

Wanga Zembe-Mkabile is a Senior Specialist Scientist in the Health Systems Research Unit at the South African Medical Research Council.

She has Masters and DPhil qualifications in Social Policy from the University of Oxford.

Her main interests are research and teaching in social policy, specifically as this relates to social determinants of maternal and child health.

Her current work seeks to unpack and understand low-income Black women's lived experiences of mothering in adversity.
