

# SAMRC RCD **REGIONAL GRANT HOLDERS CONFERENCE**

## First Announcement

The South African Medical Research Council's Division of Research Capacity Development (RCD) will host a regional conference for RCD grant holders on 20-21 October 2025 in Gauteng. This is an opportunity for RCD beneficiaries to meet with the SAMRC President, present their research, engage in insightful discussions, and connect with peers and experts in the fields, thereby fostering research capacity strengthening through local partnerships and collaboration.
