

## SAMRC RCD REGIONAL GRANT HOLDERS CONFERENCE

The South African Medical Research Council's Division of Research Capacity Development (RCD) will host a regional conference for RCD grant holders on 17th September 2026 in the Eastern Cape. This is an opportunity for RCD beneficiaries to meet with the SAMRC President, present their research, engage in insightful discussions, and connect with peers and experts in the fields, thereby fostering research capacity strengthening through local partnerships and collaboration.

**17 September 2026**

**iYunivesithi Walter Sisulu, East London  
Health Resource Centre, Eastern Cape**
