ENGAGED TRIALS

WEBINAR

Putting Communities at the Heart of Clinical Trials

Who really gets a say in the clinical trials that shape our health?

This webinar will give different stakeholders, including community representatives, an opportunity to discuss their knowledge and experience regarding community engagement in clinical trials and further comment on the project.

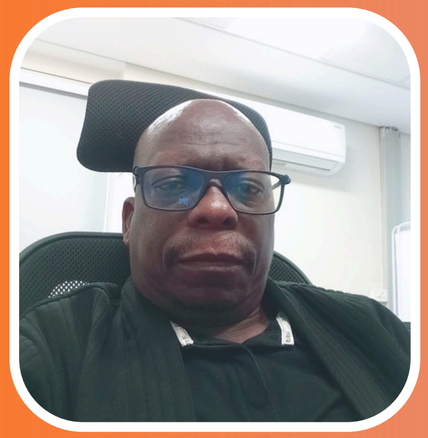

Stephen Tollman

Unit Director MRC/Wits Rural Public Health and Health Transitions Research

Carmen Spath

Senior Scientist, South African Medical Research Council

Paul Ngcobo

Community Liason Officer, South African Medical Research Council
